

Allied Electricals

One stop solution for complete automation

Mumbai & Pune

Allied Electricals

Let's Begin Now!

Our company established in year 1998. We are engaged in manufacturing and supplying a wide range of Automation Control Products & PLC-RIO, Drives, MCC, PCC, PDB, LDB, CRP Control Panels and JB's. For manufacturing various types of products, we have sound infrastructure, state of the art set-up and expert work force that enables us to meet the bulk requirements of our clients within the set time frame. We are well equipped with required Test and Measuring Instruments and these equipment's are verified and calibrated at specific intervals, against measurement standards traceable to national measurement standards. We are mission bound to satisfy our customers through 1) Best Product Quality 2) Right Time Delivery 3) Competitive Pricing.

ABOUT US

About Us

Established in the year 1998, we are engaged in manufacturing and supplying optimum quality electrical panels such as PCC panel, Control panel, MCC panel, PLC / DDC panels , Fire alarm panel etc. We provide automation solution based on PLC, Servo, Vision Systems etc. We also offer value added services such as AMC and Troubleshooting to our clients throughout various industries.

Our credible services and efficiency in manufacturing the electrical panels with utmost dexterity has helped us in ushering new dimensions in the industry.

We have manufacturing expertise in

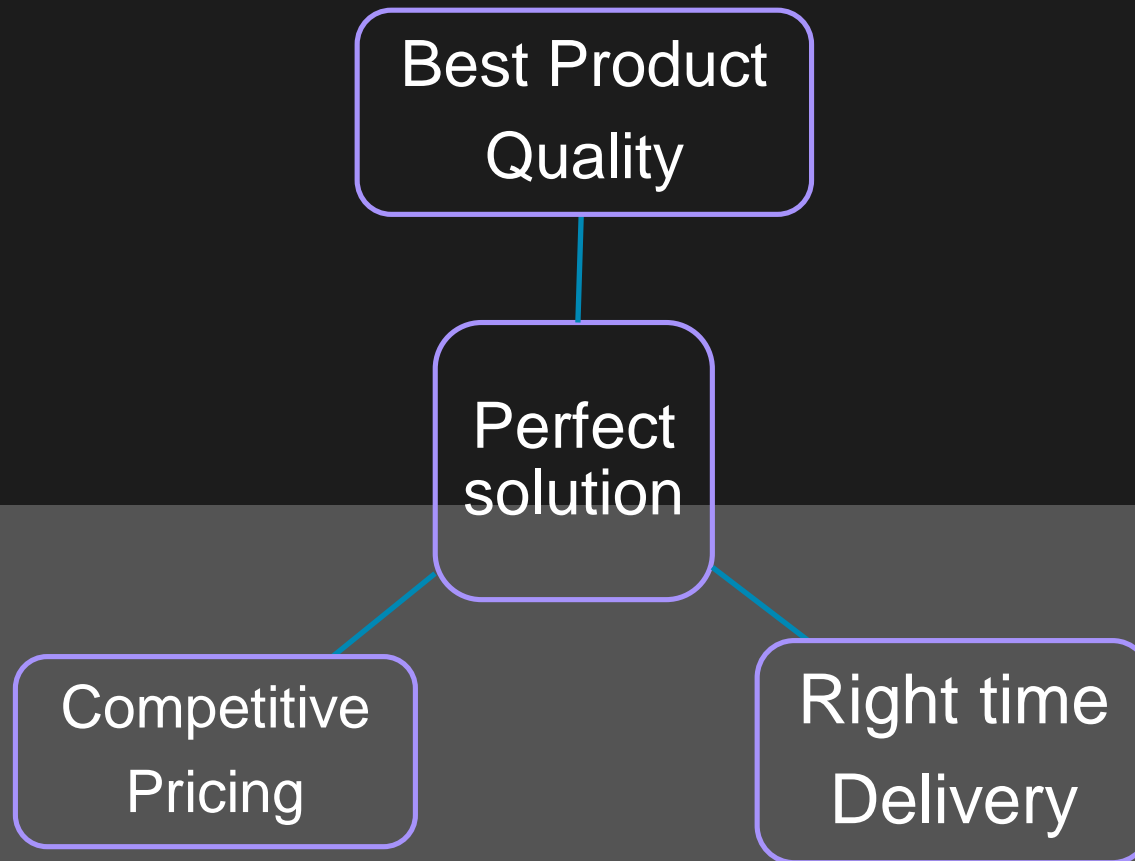

- ✓ PLC / DDC / Junction Box Panel
- ✓ MCC / VFD panels
- ✓ APFC panel
- ✓ Relay panel
- ✓ HVAC Panels
- ✓ MIMIC panel

Our forte

Control Panels and Fabrication

- DCS/PLC/DDC Panel
- Control Desk Panel
- Flame Proof Panel
- Electrical Control Panel
- Electrical Power Panel
- Electrical Capacitor Panel
- Drive Panel

We serve various industries

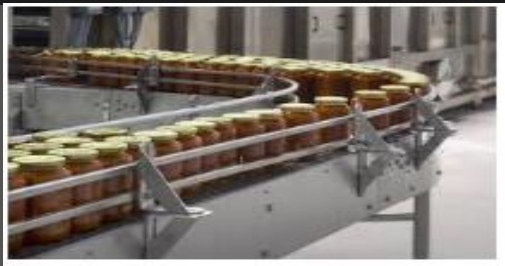

CHEMICAL

PHARMA

Water and Waste Water

Food and Beverage

Machine Automation
& SPM

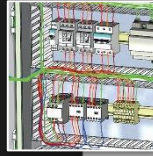

Building Management System

Panel fabrication

- SS316
- MS panel

Panel wiring

- We use standard wire like polycab, Lapp etc
- FRLS type

Panel testing

- Calibrated instrument for panel testing
- Multimeter, Current source, Megger

PLC Panel

VFD Panel

2011/03/03 11:08

MCC Panel

PCC Panel

PC/Printer console Panel (in-house fabricated)

SS Panel (in-house fabricated)

Mimic Panel

Flame proof Panel

A man in a dark suit, white shirt, and patterned tie is shown from the chest up. He is holding a silver marker in his right hand and is in the process of writing the words "Thank you" in a large, elegant, white cursive script. His left hand is partially visible, resting near the bottom right. The background is dark and out of focus.

Thank
you
